OPENING ADDRESS

- Invasive species, nature's systems and human survival..... 1
A. Morrison

KEYNOTE ADDRESS

- Are we turning the tide? Eradications in times of crisis: how the global community is responding to biological invasions 5
P. Genovesi

PRESENTED PAPERS

Overviews and Proposals

- A pilot study for the proposed eradication of feral cats on Dirk Hartog Island, Western Australia 10
D. Algar, M. Johnston, and S.S. Hilmer
- A review of small Indian mongoose management and eradications on islands..... 17
A. Barun, C. C. Hanson, K. J. Campbell, and D. Simberloff
- Rodent eradication to protect seabirds in New Caledonia: the importance of baseline biological surveys, feasibility studies and community support 26
J. Baudat-Franceschi, P. Cromarty, C. Golding, S. Cranwell, J. Le Breton, J.P. Butin, and S. Boudjelas
- Introduced land snails in the Fiji Islands: are there risks involved? 32
G. Brodie and G. M. Barker
- Review of feral cat eradications on islands..... 37
K. J. Campbell, G. Harper, D. Algar, C. C. Hanson, B. S. Keitt, and S. Robinson
- Preparations for the eradication of mice from Gough Island: results of bait acceptance trials above ground and around cave systems..... 47
